The selected lists of students are duly uploaded in the college website maintaining the reservation guidelines issued by Govt. of Assam for the students belonging to OBC, SC, ST, MOBC, etc. However, payment of admission fees is accepted offline in the college office. Students submit examination forms for Semester examinations of Gauhati University online through Gauhati University website. Fees payable to the Gauhati University is also done through online mode. Students get their marksheets online before marksheets are issued by Gauhati University. Reevaluation forms are also submitted online through the university website. Internal marks are entered and submitted to Gauhati University through online mode implemented by Gauhati University. This has eased the efforts of office staff. Students are communicated through the college website. All relevant and important information including notices and announcements are timely uploaded in the college website. Besides, class wise whatsapp groups are managed by teachers and notices and other relevant information are also shared in the whatsapp groups. The Library Management Software, SOUL 2.0 is used to conduct all automated housekeeping operations of the college library. The Web based OPAC system is used to facilitate online browsing of library bibliographical information. The digital library section of the library provides opportunity to students to access study materials and old question papers. The administration conducts meetings with the teaching and nonteaching staff at regular intervals. The college authority is also involved in regular interactions with Students' Union Body. Besides, regular meetings</p>

of the subcommittees are also held from time to time. Meeting of the Governing Body is also held from time to time. To keep the guardians/parents abreast with the performance of their wards, Guardians' Meet are held from time to time. For smooth communication among the teaching the nonteaching staff of the college, a whatsapp group is managed by the IQAC Coordinator.

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Nalbari Commerce College is affiliated to Gauhati University, Assam. Therefore, the curricula formulation and syllabi development is within the domain of the parent university. Dr. Manik Ch. Barman, Associate Professor, Department of Management of our college is member of the Curriculum Design Committee of the Department of Commerce of Gauhati University. He contributes valuable inputs to the Committee, thus playing a key role in preparation of the curricula.

However, all major decisions regarding design of syllabi is made by the affiliating university. The effective delivery of the course curriculum by the faculty members is well reflected in the success or failure of its students.

For smooth and effective delivery of the course curriculum following arrangements are made.

- The IQAC prepare the Academic Calendar and Prospectus. Besides the IQAC prepare the college master routine with due cooperation of the Vice Principal and based on it, the departmental class routines are prepared.
- The allocation of classes and course content to be taught is decided upon by the respective departmental heads in due consultation with their colleagues.
- The Annual Academic Calendar of the college is designed at the start of the academic session on the basis of the University guidelines. The Academic Calendar reflects on the number of working/ teaching days, holidays, admission slot, projected dates of Internal Examination, summer/winter vacation, examination schedule, dates of declaration of results and other allied activities.
- The individual teachers maintain a Teachers' Diary which documents the classes allotted and taken by the departmental colleagues together with the content taught daily.
- To make learning more effective and absorbing, conventional classroom teaching is complemented with Guest Lectures, Field Trips and Educational Tours, visit to industrial areas and various social awareness programmes. Besides, chalk and talk method, some teachers use ICT tools in the classroom. Besides academics, students are also motivated to take active part in allied activities like debate, quiz, music, sports etc., both within and outside the institution.
- The central library of the college keeps a reasonable collection of syllabus oriented textbook and reference books. There is a digital library section. Students can access study materials and old question papers. The Library is also equipped with N-List facility by INFLIBNET. One can access electronic resources like e- books and e journals subscribed under N-List programme.

Students are informed of the laboratory facilities through notifications and classroom interactions. The Library Management Committee oversees the maintenance and utilization of library facilities. Students are informed of the facilities through the library orientation classes and relevant bill boards kept in the library. The books are purchased by the Library Committee after receiving demand notes from the departmental heads. The Students' Union Body In charge keeps records, maintains and utilizes the sports facilities. There is budgetary provision for the purchase of sports goods from time to time. Similarly there are assigned employees in the college for the physical upkeep and maintenance of the classrooms and computers. The construction works of the college are supervised and executed by the Construction Committee. Necessary particulars are purchased by the Purchase Committee of the college.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The success of an institution depends on the combined efforts of all its stakeholders who work towards attaining the vision of the institution. The

college keenly focuses on decentralization and participative management. This is reflected in its representation of almost all its stakeholders in various academic and administrative works. This has been done with the sole objective of assisting the authority in the smooth functioning of the college. All academic and operational policies are based on the unanimous decision of the Governing Body, the IQAC and the teachers of the college. The Principal, teaching and non-teaching staff, members of the Students Council works jointly to foster the growth and progress of the institution by sharing of responsibilities. To execute different activities of the college, various term based committees are constituted in the general meeting of the teaching and non teaching staff which promotes the culture of participative management. The teaching and non-teaching staff is given due representation in different committees with regards to admission, examination, construction, purchase, library, office management, career guidance and placement, grievance redressal etc. The Principal heads such committees and one faculty as its Co-ordinator and three to four teaching and non-teaching staff as members of the committee. The committees are empowered to frame policies and take decisions for functioning effectively. The committees are reconstituted as per time frame of the committees. Two such practices of decentralization and participative management during the last year can be stated as follows. 1. The purchase of all materials, equipments of the college are made by the Purchase Committee. The Purchase Committee is constituted in the General Meeting of the teaching and Non-teaching Staff of the college at the beginning of the Academic Session. 2. The Admission Committee is constituted in the General Meeting of the Teaching and Non-teaching Staff of the college. The Admission Committee is empowered to make policies, decide on cut-off marks for admission and adopt all necessary mechanism for admission of students in the college.

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	The college is affiliated to Gauhati University. Development of the curriculum is done by the affiliating university
Teaching and Learning	Besides regular classroom teaching, teachers are involved in preparation of Lesson Plan, maintenance of Teacher's Diary, Use of Smart Boards and LCD Projectors in some of the classrooms. The various departments adopt practices or methods that suit the students of the respective departments. The following practices are done for the benefit of students. • Remedial classes were held. • Tutorial classes were held after the routine classes • Pre-session classes were held. • Bridge Course was arranged for the students coming from other streams. • Feedback on teaches and campus was done by students • Technological aids like projector and visualize were used in the classroom. •

	Experimental Learning through Field Trips is done.
Examination and Evaluation	The final semester examinations are conducted by Gauhati University. The college holds two sessional examinations of 20 marks each in a semester. Besides, a students' performance is also judged on the basis of his/her performance in home assignments, group discussions, seminar paper presentation, attendance in classes, punctuality and library works on proportionate basis. The Internal Examinations are controlled by the Internal Examination Cell of the college.
Research and Development	The IQAC of the college supports the Research Cell of the college. The Research Cell organizes research oriented activities like workshops, seminars etc. as mandatory activities for the students of B.Com. and M.Com. students in order to cultivate a research environment in the college. The IQAC also encourages the teachers in writing research papers and to carry out minor research projects.
Library, ICT and Physical Infrastructure / Instrumentation	The Library Committee is empowered to maintain the library. Books are purchased by the Library Management Committee. • ICT and physical infrastructure of the college are maintained by employees appointed for the work. All construction and renovation works are carried out by the Construction Committee. New equipments are purchased by Purchase Committee.
Human Resource Management	The existing human resource (teaching and non-teaching staff) is managed by the Principal of the college. However, they are all accountable to the Governing Body of the college. New recruitments to teaching and non teaching posts are also done by the Governing Body which is submitted to the Director of Higher Education, Assam for approval.
Industry Interaction / Collaboration	The students are allowed for industry visit with the excursion grants sponsored by Govt of Assam. Selected students are guided by a group of teachers and they are taken to industries for practical knowledge.
Admission of Students	Intake capacity is fixed at 250 for B.Com. Program, 50 for M.Com. Program, 30 for BA (Honours), 100 for BA (Pass

Course) and 20 for B.Voc. IT Program. Students are selected for admission on the basis of merit. Provision of reservation for SC/ST/OBC/Minorities is duly maintained. However, sometimes because of consistent pressure by certain student organizations as well as by the government representatives, the intake capacity is to be enhanced. Students, after getting their Admission Forms checked, have to deposit their respective admission fees into the bank account of the college.

6.2.2 – Implementation of e-governance in areas of operations:

E-governance area	Details
Planning and Development	All planning and developmental strategies adopted by the college authority are intimated to the stakeholders through the college website. Besides whatsapp is also used for sharing such information.
Administration	The college website offered a platform for intimating various stakeholders about the administrative notices such as Parent-Teachers meetings, Holiday notices etc. The college website was updated with information regarding faculties of various departments as well as recruitment notices are put up in conjunction with conventional methods of advertisement. Besides, notices inviting quotations for supply of materials, equipments or construction works are also uploaded in the college website.
Finance and Accounts	The salary bills for the faculties and office staff are intimated to the state government through the portal of the finance department of Govt of Assam.
Student Admission and Support	The college has a self-developed website which was designed by the faculty members of the department of B.Voc. IT (Software Development). For admission into various programmes of the college, online admission system is used. Students can apply online through the Admission Portal in the college website. The selected lists of students are duly uploaded in the college website maintaining the reservation guidelines issued by Govt. of Assam for the students belonging to OBC, SC, ST, MOBC, etc. However, payment of

	admission fees is accepted offline in the college office. Regarding any academic as well as other relevant information, students are intimated by publishing notice in the website and whatsapp groups.
Examination	Students submit examination forms for Semester examinations of Gauhati University online through Gauhati University website. Fees payable to the Gauhati University is also done through online mode. Students get their marksheets online before marksheets are issued by Gauhati University. Re evaluation forms are also submitted online through the university website. Internal marks are entered and submitted to Gauhati University through online mode implemented by Gauhati University. This has eased the efforts of office staff.

(Lights and fans are switched off when not required) 4. CFL bulbs are used wherever bulbs are required to be installed. 5. Awareness programs on environment are conducted.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

<p>BEST PRACTICES A. Library Orientation Program</p> <p>1. Title of the Practice: Library Orientation Program</p> <p>2. Objectives: Library Orientation Program is meant for both the new comers as well as the existing students of UG classes. The Program is conducted as a part of Research Methodology for preparation of seminar papers and project works. The underlying principles of the Program are as follows: I. To enable the students select relevant books for preparing seminar papers and project reports. II. To make them aware of the way of collection of secondary information for the seminar papers and project works. III. To give adequate guidance for selection of relevant topic for the study. IV. To teach them how to use citation, quotation and to acknowledge the authors and publishers.</p> <p>3. The Context The Program is conducted for the students of the UG level. The Library Orientation Program is conducted once in a year after new admission.</p> <p>4. The Practice The Program is executed as special classes but in the normal academic routine. The teacher-in charge fixes the schedule in consultation with the Principal or/and Vice Principal of the college. At least one class of two hours duration is taken for the orientation Program. The students are grouped in a convenient number of students depending upon the volume of the students. The library of the college is generally informed before the Program is conducted. The librarian supplies the necessary publications as per the needs of the students. The Teacher- in charge gives necessary guidance to the students.</p> <p>5. Evidence of Success The Program has been giving effective results for which purpose it is generally undertaken. After preparation of the seminar papers, they are presented on the scheduled days. The students submit research based papers following proper methodology.</p> <p>6. Problems Encountered and Resources Required Following constraints have been noticed in implementation of the Program: I. The volume of the students is so large that the Teacher-in charge gets trouble while dealing with the students. II. The students take</p>
--

different topics and is therefore, it is difficult to give proper guidance to the students. III. Teaching staff is too nominal to divide the entire group of students into different sections. IV. A part of the students generally remain absent on the scheduled day. They do not get proper lessons and it becomes problematic to give orientation in different sessions. The Program being purely academic one, financial requirement is very nominal. The Program can be initiated with existing infrastructure as well as ICT facilities available in the college. The library resources have also been proved adequate to satisfy students' needs. B. Special Session on Course Curriculum and Evaluation System for New Students 1. Title of the Practice Special Session on Course Curriculum and Evaluation System for New Students 2. Goal Special sessions on Course Curriculum and Evaluation System are conducted for the newly admitted students into UG Program i.e. B.Com. The sessions are arranged every year by the IQAC of the college. It is felt that the students at UG level might feel confused as to the course curriculum and particularly the evaluation system which is quite different from that of the 102 level. The Program is organized in order to acquaint the new students with the different criteria in which their performance are measured. The underlying principles of the Program are as follows: I. To acquaint the students with the course/subject pattern (core/optional) at UG level. II. To enable the students understand the evaluation system. III. To acquaint the students with various criteria in which their performance will be evaluated. 3. The Context The Program is conducted at the UG level. However, the Program has been felt more relevant with the implementation of semester system at the UG level by the affiliating university in 2011. Under the semester system there has been a provision of internal assessment as a part of academic autonomy to the affiliated colleges. The internal assessment is composed of seminars, home assignments, group discussions and library works. The Program is conducted once in a year i.e. immediately after the commencement of classes. 4. The Practice: The Program is administered on the undergraduate students who get admission in the first semester class. The Program is executed as special classes but in the normal academic routine. The teacher-in-charge fixes the schedule in consultation with the Principal or/and Vice-Principal of the college. One class of two hours duration is conducted for the Program. The students are provided with syllabus. As the class is obviously a large one, Power point presentations are arranged to make it convenient to all the students. The various aspects of the syllabus are analyzed to the students. 5. Evidence of Success The Program has been giving effective results for which purpose it is generally undertaken. The students are found aware of different aspects of the course curriculum as well as the evaluation system. They are seen sincere in performing their assigned duties and also in attending classes. 6. Problems Encountered and Resources Required Following constraints have been noticed in implementation of the Program: I. The volume of the students is so large that the teacher-in charge gets trouble while dealing with the students. II. Teaching staff is too nominal to divide the entire group of students into different sections. III. A part of the students generally remain absent on the scheduled day. They do not get proper lessons and it becomes problematic to give orientation in another sessions. The Program being purely academic one, financial requirement is very nominal. The Program can be initiated with existing infrastructure as well as ICT facilities available in the college.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Nalbari Commerce College, Nalbari, is a premier co-educational institution of higher education primarily imparting education in commerce. Experiencing the vacuum and realizing the urgent need of such an institution, a good number of personalities from different walks of lives comprising of educationists and intellectuals, social workers, thinkers, businessmen had made a drive to establish Nalbari Commerce College in the late eighties of the past century. The pioneering zeal and endeavour of those learned persons gave birth to the college on 18 August, 1979. Since its inception, the college has been striving to achieve its vision of imparting commerce graduate. The college is distinctive in this sense that the students graduated from the college with B.Com. degree are all well established. Most of the commerce graduates are self employed and only a few are working in govt or private establishments. Besides being self-employed, they are also capable of creating job opportunities for other educated as well as uneducated youths. Most of the commerce graduates are now working as Chartered Accountants, Company Secretaries, entrepreneurs, businessman and many more. There is not a single graduate who is unemployed. This makes the institution distinctive.
